CARE FOR THE ELDERLY BY A FAMILY WHO CARES

# Welcome TO THE PRIORY

“ THANK YOU VERY MUCH FOR THE LOVELY BOUQUET OF FLOWERS AND CARD SENT FOR SARAH'S 100TH BIRTHDAY...  
...AND FOR THE WONDERFUL PARTY, ENJOYED BY ALL...  
...ALSO FOR THE FRIENDLY ATMOSPHERE AND EXCELLENT CARE YOU GIVE ”

The Priory Residential Care Home is situated at Dodder Hill, near Droitwich Spa in Worcestershire, providing residential care for over 65's. The home was formerly a vicarage, constructed in 1903, and converted to a residential care home for the elderly in 1986. As a popular care home accommodation was at a premium, so in 1994 a large extension effectively doubled The Priory's capacity.

The total accommodation comprises of thirty single rooms with many boasting en-suite facilities. A further nine communal toilets are situated throughout the building. Furthermore, all rooms are linked by a 'nursecall' system, intercom and furnished to a high standard.

We believe the home you select should free you from all the worries and ties of maintaining your own home and more importantly reflect your life and interests. To that end we understand the upheaval that changing your home causes, we make every effort to make the transition as stress-free as possible. Our family of over twenty carers are there to ensure you quickly settle in and feel secure in your new home.

Your independence and individuality is important to you and us, and we encourage you to bring along as many personal possessions that we are able to accommodate to make your new home your own. We are able to offer a range of room sizes which are all unique, and many can be arranged to suit individual layout requirements.

## SOCIALISING AND ACTIVITIES

The Priory is your home and as such we welcome you to have your family and friends visit at any time. You can entertain visitors in your room, chat in peace in our one of our quieter lounges or in the more communal conservatory lounge which overlooks the terrace, or simply take a stroll around the lawn.

Our residents are free to come and go, often joining friends and family on excursions, meals out and holidays. We also offer days out throughout the year making use of our own minibus. There are also plenty of opportunities to make friends with other residents and staff are there on hand to sit and chat.

We encourage you to pursue hobbies and interests. For instance, if you enjoy gardening, you can adopt an area in the garden to look after. Events, excursions and activities are regularly arranged for you to get involved in, but we respect your wishes if you feel you do not wish to take part. There are plenty of local amenities at hand whether you want to visit a pub, eat out, or want an outing to a park. There are also excellent bus services nearby to take you further afield, for shopping trips in Droitwich Spa or to get out in the fresh air in the Worcestershire countryside. We believe these opportunities mean you need never be without something interesting to do.

## FACILITIES AND SERVICES

Our facilities include a lounge, large conservatory, dining room and a bathroom equipped with a hoist for the less mobile. There are regular visits from a hairdresser and local health care professionals such as opticians, chiropodists, occupational therapists and dentists whose services are offered at very competitive prices. You can also keep your existing GP, if they are willing, or simply transfer to a local GP through our care manager. Newspapers are provided in the communal area, however, we can arrange for your own paper to be delivered. There is even a minibus available by prior arrangement.
